

TOP TIPS FOR HEALTHY PETS THIS WINTER

Our clinicians have some top tips for keeping pets fit and healthy this winter. With the darker nights and colder weather, it's important to pay close attention to your pet's needs.

Here are our top 10 tips:

Reduce

walk times in cold weather and keep pets active indoors

Remove

snow and grit from your dog's paws after walks

Attach

a reflective light to your pet's collar to make them visible

Ensure

your pet is microchipped and your details are up to date

Put a coat

on your dog for winter walks

Keep

pets dry and check they have a warm place to stay inside

If you notice

signs of hypothermia, seek specialist help immediately

Regularly

check water sources are not frozen

Avoid

walking your dog on ice

Store

anti-freeze away from your pets and clean up any spillages
